AZ Building Performance Workforce Solutions & Industry Update

Time: Thursday, May 25th 11:30am – 1:30pm (*lunch served*)

Location: Phoenix Business Development & Workforce Center (*employers only*)

302 North 1st Avenue, 6th Floor - Central City

Phoenix, AZ 85003 - 602-256-3147

Overall AZ Industry Update and Excellent Resources to Connect Employers in Need:

<https://www.arizonaatwork.com/phoenix/employers-overview>, along with customized building performance industry solutions [Efficiency First Arizona](#) and partners providing:

Employee Connections – Tax Breaks – Recruiting Services – Apprenticeship Benefits – Certification Funding – Training – Q&A

Bring ALL job listings, a computer and hot workforce needs. This is an interactive solutions workshop that requires active participation. Come prepared!

Contractors will leave with: jobs posted in a variety of new places, potential candidate resumes and resources customized for building performance companies. This is not just an AZ@Work event as solutions beyond the state will be included. We are however lucky they have agreed to partner directly with us to help.

Join us for help getting the people and support you need to be successful this summer.

Email heather@efficiencyfirstaz.org with RSVP and questions or items you'd like to be included.

Best Regards,
